

hw01

Quick Biography

My name is Maggie Rivera. I grew up in Chicago, IL with my mom and sister. *Sometimes* I like to write science fiction stories and watching horror movies. If you have any good recommendations, let me know! I've always been more of a cat person.

- Some of the items on my bucket list include:
 - Learning Tagalog and Spanish
 - Learning to dance
 - Writing a book

Some Accompanying Visuals :P
